Brothers,

I sincerely hope you have had a great summer and safe vacations travels. As we approach the start of school a question arose about K of C College Scholarships. Supreme Council does offer college scholarship opportunities. The info and application can be found on the supreme website

university. In the 2013-14 academic year, the Knights of Columbus awarded scholarships totaling more than \$1.2 million to 552 students.

Most recipients are the children of Knights or Knights working toward bachelor's degrees at Catholic colleges and Catholic universities in the United States, Canada, Mexico, Puerto Rico and the Philippines.

If your children have any desire to go to a catholic university please be proactive and try to take advantage of being a Knight in good standing. Do your research and apply!

I wish I would have investigated this opportunity 6 months ago because my daughter could have applied for a \$1500 a year for 4 years scholarship since she is going to a catholic

**Homily of Archbishop Stefan Soroka

As a pastor, I was privileged to assist in the organization of a new council in my parish. I saw men who were never very active in church life join the Knights for the opportunity to work with others in parish programs for youth and children, often their own children being among them. Previously quiet, sometimes shy and relatively unassuming men were transformed into dedicated and energetic leaders within my parish and the larger community. They became so bold, so confident that they were not hesitant to even advise me as to what I should be doing! Their natures changed. The power of fraternal prayer and works of charity in an atmosphere of unity with patriotic love for God, Church and country transformed these men and their families. They began to live a transformed life of love and grace in the ways of Our Lord. They now lived a life in union with a God who unconditionally loves them.
