Brothers,

A very big thank you to all who have contributed to our Fish fries and food drive. We have been very busy and we are only half way thru. I just want to briefly talk about Membership. As of today we are 3 new members short of our Quota. We have two strangers that are ready to join on March 25<sup>th</sup>. So we will be short 1 new Member. If we can gain that one new member we will achieve star

council as we have already met our insurance quota. I am sure Every Brother in this council knows of a man that qualifies to be a knight. Just ask. You don't have to be a pest about it but just ask. If we get star council there is a new incentive that we will receive. If a council qualifies, at any level, for the Star Council Award in the 2014-2015 fraternal year, that council will receive a credit for the 2015/2016 fraternal year of \$4.50 for each billable member on their roster as of July 1st, 2015. That will save our council \$490 in 2015/2016. Plus we get more man power to help us on our programs. If you have a male practical catholic in mind Just Ask. Thanks Again For All Your Hard Work.

## From The Chaplain

It's not over ... yet.

I walked along the south side of the Church this week and noticed that there are tiny purple (or maybe blue) crocuses sprouting in the little green space next to the Church wall. Considering the days of cold and snow we have recently experienced, and the *feet* of snow that has piled up in the mountains, these tiny glimpses of spring really brought joy to my heart and soul. "Hope springs eternal."

It occurred to me at the same time that this writing takes place at the half-way mark for this Lenten season. It presents the opportunity for us all to take a gander at what we decided to do, or not do, for Lent this year. How has your Lenten journey gone so far? I often hear at this time of the season that the promises, goals, objectives we took on just a few weeks ago have already fallen by the wayside. People are often genuinely discouraged because in their minds they have failed in their attempt to better their spiritual lives.

Someone told me a long time ago, "It's always too early to quit and never too late to start again." The adage applies. Lent isn't over, so it's too early to quit, and as long as there is a realizable goal out there it's never too late to start working on it again. A reminder for us all: Just because Lent comes to an end does not mean that we have to leave behind any project undertaken to improve our relationship with God, Church and one another. Whatever you began, keep the ball rolling, and keep on trying. Easter expects you to spring forward.

### St. Augustine's Prayer for the Sick and Distressed

Watch, O Lord, with those who wake, or watch, or weep tonight, and give your angels charge over those who sleep. Tend your sick ones, O Lord Christ. Rest your weary ones. Bless your dying ones. Soothe your suffering ones. Pity your afflicted ones. Shield your joyous ones. And for all your love's sake. Amen.

**Please pray for our beloved departed:**

**May all the faithful departed rest in peace.**
