Brothers,

The following was taken from The KofC Program:

BUILDING THE DOMESTIC CHURCH

The Family Fully Alive

**A Family Prayer
Composed by Supreme
Chaplain Archbishop
William Lori**

Heavenly Father, thank you for the gift of our family. Enlighten our hearts and minds that we may live more fully this vocation of love. In

our daily life and work, may we reflect the self-giving love which you, O Father, eternally show with your Son and the Holy Spirit. Let your love be evident in the peace that reigns in our home and in the faith we profess and live. May our family always be a place of generosity, understanding, forgiveness and joy. Kindly give us the wisdom and courage to be witnesses to your eternal design for the family; and grant that the Holy Family of Nazareth may always guide our path to holiness as a family. We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God forever

and ever. Amen.

Family Project For December

Go to confession together as a family. Young children may need guidance in preparing for the sacrament: discuss with them how one might sin in regard to the Commandments and precepts of the Church. Older children might instead independently review *A Guide to Confession* (#2075), or a similar examination of conscience.

Share with your children that although it's normal to feel some shame when preparing for confession, it should not be something to fear. Through reconciliation and penance, a person is released from the burden of sin and gifted with great graces.

Special Christmas Project

Bring the miracle of Christ's birth into your home by displaying a special Nativity scene in a prominent location in your home. Throughout Advent, have family members place a different figure in the manger and meditate on the meaning of this humble place where God became man.

There are great Family Programs, Prayers, Projects and Mediations designed for you and your family to participate in as a Family. Everything is available at <http://www.kofc.org/un/en/domestic-church/>

State Chaplain Speaks

Brothers,

One of my favorite quotes comes from an old African proverb,
“If you want to go fast, go alone. If you want to go far, go together.”

We do this as a band of brothers with the center of the love of our faith as the core. I have to be honest with you (a priest never lies) my favorite time at our council or assembly meeting is when we pray the Rosary together right before the meeting starts. I love to look around the room pray with my brothers but also see their faces because I see the depth of their faith so evident as they pray. I think to myself, we are running this part of our faith journey together, what a blessing! There are days that I will come into a council or assembly meeting wiped out from the day and I am nourished by my brothers thru prayer.
