Brothers,

It has recently be brought to my attention from a few Fellow Brother Knights that the council needs to focus more on our Families and perform programs that our Wives, Children and Significant others can participate in. So as Grand Knight I would like to **Challenge** you brothers to:

Bring your Family to our eight Breakfasts and enjoy some time together. If you like we could have your children serving eggs and hash brown on the line while the wives have a social hour.

Bring your family to 'Trick or Treat

Street and let the family participate in the games and help handout candy.

Bring your family to Easter Sunday Easter basket delivery to under privileged children. There is not a greater sight than a child giving another child a basket of candy and toys on Easter Sunday.

Bring your Family to Corporate Communion Mass and celebrate as a Council Family. After Mass we enjoy some time together supporting a restaurant that a Brother Knight or Parish member owns such as *South Philly Cheese Steak* or *The Copper Pot*.

Bring your Family to Marriage Vow Renewal Mass sponsored by the Council. Stand up with your Wife at Mass and renew you're Promise and Vow to each other in front of your Family, Fellow Brothers, Parish Community and Priest.

Bring your Family to Officer Installation night and social. This event is dedicated to our Family for allowing us to do what we do.

Bring your family to the annual Christmas/Holiday party. The council even buys gifts for the children!

Bring your family to the St. Patrick's Day parade and ride on the float with up 70+ Brother Knights, wives and children. You can even bring your family down to help build and decorate the float prior to the parade.

Bring your Family to one or more of our six fish fries and enjoy some quality time with other families.

Here is nine examples of Council activities already in place that your family can participate in.

I **Challenge** you Brother Knights to present programs to our Program Director and Family Program Chairman that are specifically dedicated to our Wives and Dedicated to our Families. If you want programs like a Council Family Appreciation "Spaghetti Dinner" or a Council "Couples Night" or "Family game/movie night" then I suggest you come to the business meeting and present your idea and plan as new business to the council.

I also **Challenge** you to give this newsletter to your Family so they can see what they are missing out on. I would love to personally invite your family to participate in all of our events but it is not my responsibility to; it's yours. My line of communication to the families is thru you. You Brothers have to make it happen.

### Gifts of gratitude and hope

October 9, 2015

He came to America and encountered us in the streets, schools and historic places where we gathered. Pope Francis' first visit to the United States and the World Meeting of Families has renewed our hope and filled many with gratitude for the beauty of family life. At his final Mass on the Benjamin Franklin Parkway in Philadelphia, Pope Francis declared, "Anyone who wants to bring into this world a family which teaches children to be excited by every gesture aimed at overcoming evil – a family which shows that the Spirit is alive and at work – will encounter gratitude and our appreciation."

The Holy Father made this invitation to generosity in the context of urging people to renew their trust in God's Word, which "invites all those who want to share the prophecy of the covenant of man and woman." And that covenant of marriage, he emphasized, "generates life and reveals God! Which helps us participate in the prophecy of peace, of tenderness, of family love... ."

This World Meeting of Families made history by having over 18,000 attendees – the most since the gathering was started by Pope St. John Paul II in 1994. It was truly beautiful, and gave me hope to see how many families present in Philadelphia had already responded to God's invitation to live with generous hearts.
